Creager Pleads For Two Parties
Texas Would Command More Influence, Conquis Club Told.

Although the controversy between the parties is not a contest between candidates, there is an underlying struggle for the allegiance of the voters, according to one speaker at the recent meeting of the Conquis Club. The issue is whether the State's rights shall be left to the States to decide for themselves, or whether the Federal government shall have the authority to override the same action. The former is the position taken by the Republican candidate, the latter by his Democratic opponent.

Arlene de la Garza, correspondent of the San Antonio Express for the Washington bureau, yesterday was a guest of Mrs. William McMahen, who told the Conquis Club that the issue is whether the State's rights shall be left to the States to decide for themselves, or whether the Federal government shall have the authority to override the same action. The former is the position taken by the Republican candidate, the latter by his Democratic opponent.

Controversy Over Constables
Making Arrests in San Antonio Undecided After Two Trials

The controversy over constables making arrests in San Antonio is still undecided after two trials. The first, a jury trial, ended in a mistrial. The second, a bench trial, resulted in a conviction.
